Good morning Mr. Suggs,

On Friday, I spoke with an employee in Pasco County regarding their trajectory in regulating data centers. I asked for their moratorium and scope of research. Out of abundance of caution, I am sharing with you.

Kind regards,
Zach

Hello Zachary,

It was nice speaking with you earlier. I have received approval to send our draft scope of work for consultancy to you. I am also including an outline of the areas of research we are considering. Please note that both of these documents are working drafts and do not represent the final direction of the County or Board in our research. Additionally, I am including a staff report from Chatham County, N.C. In which we based our initial direction on and Apex, North Carolina who hosted a work session with their Planning Board. Keep in touch and let us know how things go in Putnam. Thanks!
