Hello,

I am a nearby property owner who received a public hearing notice regarding cases CPA26-000004 and REZ26-000013, involving approximately 220.97 acres on or near Gilbert Road in East Palatka.

I would like to request copies of the complete applications, staff reports, applicant and property owner

information, parcel identification numbers, proposed site plans, and any project descriptions submitted with these applications.

Specifically, I would like to know the intended use of the property and whether the proposed development involves a data center, industrial facility, wastewater infrastructure, or another public or private use.

Please also provide any available supporting documents identifying the proposed development and its anticipated impacts on surrounding properties.

Thank you.
